

Off-Campus Database Access Information

The Library Username and Password you will need for off-campus access to Montgomery Library's databases are stored in each student's **TigerNet** account.

1. Log-in to your **TigerNet** account with student ID number and PIN.
2. Click on the **Library** tab found at the top of the page.
3. Click on the icon **Off-Campus Database Access** found on the far left side of the page.
4. Library Username and Password for the current academic year can be found in **bold red letters**.

When accessing databases from off-campus, you will get a screen requesting your Library Username and Password. After entering the username and password, be sure to click **submit**.

Database tutorials for some commonly used databases can also be accessed from your TigerNet's Library page.
