Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

California students have the right to cancel their enrollment agreement and receive a full refund of all tuition charges paid for the semester if the student withdraws before the first-class meeting or the seventh day after the enrollment agreement is signed, whichever is later. To withdraw, students must complete a schedule change form available in Workday. If the student does not withdraw by this time, the student will follow the California State Pro Rata Refund Policy that is calculated as follows:

1. An application fee of \$80 is deducted from the total cost of tuition and fees for the semester.
2. The remainder is divided by the number of class meeting in the semester.
3. The quotient is the per-class-meeting charge for the program.
4. The amount owed by the student for the purpose of calculating a refund is derived by multiplying the total class meetings attended by the student by the per-class-meeting charge, plus the amount of the registration fee specified in line one.
5. The refund is the amount paid by the student less the amount derived in line four.

For example, if a student completes only two class sessions of a 16-session course, and paid \$2,846, the student would receive a refund of \$2,420.24, using the calculations in the illustration below:

1. $\$2,846 - \$80 \text{ application fee} = \$2,766 \text{ base for refund}$
2. $\$2,766 \text{ divided by } 16 \text{ class meetings} = \$172.88 \text{ per class meeting}$
3. $\$172.88 \times 2 \text{ classes meetings attended} = \$345.76 \text{ tuition owed}$
4. $\$345.76 \text{ tuition} + \$80 \text{ application fee} = \$425.76 \text{ total owed by student}$
5. $\$2,846 - \$425.76 = \$2,420.24 \text{ tuition refund due to student}$

Any notification of withdrawal or cancellation and any request for a refund must be made in writing. A student's withdrawal may require that part or all his/her financial aid be repaid. A student's withdrawal may require that part or all his/her financial aid be repaid.

Tuition refunds are calculated based on the student's official withdrawal date. Fees are not refundable. Please investigate the financial effects of withdrawal before you decide.

A student's withdrawal may require that part or all his/her financial aid be repaid. All financial aid that is not federally funded Title IV aid will be refunded at the same percentage as tuition.

All federally funded Title IV financial aid programs are administered according to specific program guidelines and regulations. A student's eligibility for future federal financial aid can be adversely affected by dropping classes and withdrawing from the University after financial aid funds have been disbursed based on an enrollment status. The federal refund policy guidelines can be found in the Federal Student Financial Aid Handbook located in the Office of Financial Aid.

Students should also be aware of the effect that altering their enrollment status may have on their measurable "satisfactory academic progress" status. All students receiving financial aid are advised to seek academic counseling and financial aid advisement before deciding to change their enrollment status. The satisfactory academic progress policy can be found on the Campbellsville University website under Financial Aid.
