Good Afternoon Everyone,

Here is the agenda for Friday's event. I will need you (my Community Professionals) to meet in my office at 8:00 for a quick orientation and instructions for the Career Talks. A light breakfast will be provided as well as all of the paperwork that you will need with your groups.

10:15- Instructions for Community/Industry Tours

10:30-11:30 Tours

11:45 Return to school/Reflection

12:00-1:00 Lunch/7th period

I have arranged the students into groups (most groups have 8-10 students). The students will participate in 3 station activities during our 8:20-10:15 time. You will do the same thing with each group as they come to you. It's fun and simple, I promise! Please just arrive ready to share about yourself, your profession, how you met and achieved your goals, and any advice that you feel necessary to share with these students.

The idea for the day is to discuss FUTURE PLANS, SETTING GOALS TO MEET YOUR FUTURE PLANS, and SUCCESS. No matter the career choice the students have in mind, I hope we can convey to them that being a PRODUCTIVE, HELPFUL, and MOTIVATED member of a community can lead the growth and success of everyone.

I have some Conversation Starter cards with facts and questions for the students to ponder together (just a sharing opportunity) as well as a planning page for the students to complete.

Thanks again for agreeing to help with this event. I look forward to Friday and sharing with everyone.

If you have any questions, please let me know.
