

# Campbellsville UNIVERSITY

## Church Matching Scholarship Program

Our church agrees to participate in the Church Matching Scholarship Program for the student listed below. Campbellsville University will match gifts from churches throughout the Nation, which contribute \$200 toward a student's educational costs for the year. The gift from the church should be made payable to Campbellsville University and can be sent \$100 each term or the full \$200 prior to the fall term. The check should note that it is for the below named student and that it is for the Matching Program. The deadline for receipt of matching funds is the end of the mid-term week for each fall and spring semester.

NOTE: Parents should not give the \$200 matching to the church. This action may be in violation of the Federal Internal Revenue Code and is also a violation of the intent of the Matching Scholarship Program.
