Thank you for your attendance and participation in the 26th Annual Excellence in Teaching Awards Ceremony.
HISTORY OF THE
EXCELLENCE IN TEACHING PROGRAM

Campbellsville University began the Excellence in Teaching Awards Program in 1987 with assistance from Mr. Earl Aaron and the Ward, Cundiff, and Aaron Memorial Fund. The purpose of the program is to recognize the quality teaching and learning taking place in the school systems throughout Kentucky.

Through the awards program, Campbellsville University presents certificates to teachers in each grade level [preschool/elementary (P-5), middle grades (6-8), and high school (9-12)] as selected by their school districts. At this 26th annual program, we are recognizing teachers from 62 school districts. More than 2,000 teachers have been so honored by their colleagues since the program’s inception.
MISSION STATEMENT

The University prepares students as Christian servant leaders for life-long learning, continued scholarship, and active participation in a diverse, global society.
