## **HISTORY OF THE EXCELLENCE IN TEACHING PROGRAM**

Campbellsville University began the Excellence in Teaching Awards Program in 1987 with assistance from Mr. Earl Aaron and the Ward, Cundiff, and Aaron Memorial Fund. The purpose of the program is to recognize the quality teaching and learning taking place in the school systems throughout Kentucky.

Through the awards program, Campbellsville University presents certificates to teachers in each grade level [preschool/elementary (Pre-K-5), middle grades (6-8), and high school (9-12)] as selected by their school districts. At this 27th annual program, we are recognizing teachers from 59 school districts. More than 2,000 teachers have been so honored by their colleagues since the program's inception.
