HISTORY OF THE EXCELLENCE IN TEACHING PROGRAM

Campbellsville University began the Excellence in Teaching Awards Program in 1987 with assistance from Mr. Earl Aaron and the Ward, Cundiff, and Aaron Memorial Fund. The purpose of the program is to recognize the quality teaching and learning taking place in the school systems throughout Kentucky.

Through the awards program, Campbellsville University presents certificates to teachers in each grade level [preschool/elementary (Pre-K-5), middle grades (6-8), and high school (9-12)] as selected by their school districts. At this 28th annual program, we are recognizing teachers from 58 school districts. More than 2,000 teachers have been so honored by their colleagues since the program's inception.

MISSION STATEMENT

Campbellsville University is a comprehensive, Christian institution that offers pre-professional, undergraduate, and graduate programs. The University is dedicated to academic excellence solidly grounded in the liberal arts that fosters personal growth, integrity, and professional preparation within a caring environment. The University prepares students as Christian servant leaders for life-long learning, continued scholarship, and active participation in a diverse, global society.

CORE VALUES

- To foster academic excellence through pre-professional certificate, associate, baccalaureate, and graduate programs through traditional, technical, and online systems
- To provide an environment conducive for student success
- To value diverse perspectives within a Christ-centered community
- To model servant leadership and effective stewardship
