Teachers,

It is time to schedule our bi-annual meeting for the council. We would like to invite you to a dinner meeting on Wednesday, May 2nd at 5:00. We will meet in the Chowning Executive Dining Room and bless the agenda will contain two major items. The first is to look at our new unit documents and rubric and the second is to complete Lawshes on our CAP 2 video rubric.

Please respond to this email so we can get an accurate count for the meal. Thank you and we appreciate your help and support of our students and program.

Members Present:

Wannon E. Cox, IECE Elementary Teacher at Taylor County Primary Center
Lisa Wiseman, Kindergarten, Campbellsville Elementary School
Ailey Ogle, Kindergarten, Taylor County Elementary School
Aren McAnelly, English, Taylor County High School
Abbilyn Speer, 8th grade Social Studies, Campbellsville Middle School
Teryl Dicken, Science & Mathematics Teacher, Campbellsville High School
Charles Hamilton, Campbellsville University School of Education Student Teacher Coordinator
Lisha Lawrence, Campbellsville University School of Education Field Experience Coordinator
Susan Blevins, Campbellsville University School of Education Assistant Professor

Wednesday, May 2, 2018's meeting opened up with a blessing of the meal. We first discussed the CAP 2 Video assessment by evaluators (Faculty, P12, Student). We asked P12 members to complete a Lawshe's on the Lawshe's for our next meeting.

Susan Blevins then described the new portfolio plan and the rubric design. We asked for comments from partners clarifying questions. The attendees asked if this would change the observation instruments and process. They agreed to focus on more student-centered contributions to pre-service teachers' observations.

Lisha Lawrence described the Q-sort process which was completed in a previous faculty meeting. Members of the faculty indicated they felt were observable and not observable. This sort laid the foundation for our future portfolio and the next meeting.

I hope your school year is off to a great start and that you are enjoying your fall break. We have planned our first Advisory Council meeting. We would like to have an introductory meeting on Thursday, October 26th, at 6:00 p.m. and the equipment needed to be able to participate in that meeting. This meeting is set so that you become comfortable with the online environment and provide you with an assignment to complete. The goal will be to analyze and discuss the assignment you will be given on October 26th.

We look forward to working with you and hope this partnership will be mutually beneficial to all involved.
