Pre-requisites: Admission to Teacher Education

Course Description:

This assessment course is designed to equip teacher preparation candidates with the essential knowledge and tools necessary for a deeper understanding of quality classroom assessment. The course will assist teacher candidates in implementing the Kentucky Teacher Standards as well as the Kentucky Teacher Professional Growth and Effectiveness System Domains. Included in the course are experiences and strategies to guide the selection, crafting, evaluation and interpretation of a variety of assessment types. Emphasis is given to the study of concepts and methods for improving student learning in a standards-based system. Professional, ethical and legal responsibilities in educational assessment, grading, and accurate record-keeping are also explored.

PROFESSIONAL STANDARDS addressed in this course:

Kentucky Teacher Performance Standards/Interstate Teacher Assessment and Support Consortium (KTPS/InTASC) KTPS/InTASC 1 Learner Development

KTPS/InTASC 2 Learner Differences
KTPS/InTASC 3 Learning Environments
KTPS/InTASC 4 Content Knowledge
KTPS/InTASC 5 Application of Content
KTPS/InTASC 6 Assessment
KTPS/InTASC 7 Planning for Instruction
KTPS/InTASC 8 Instructional Strategies
KTPS/InTASC 9 Professional Learning and Ethical Practice
KTPS/InTASC 10 Leadership and Collaboration

CU Diversity Proficiencies (from KTPS/InTASC)

1B The teacher creates developmentally appropriate instruction that takes into account individual learners' strengths, interests, and needs and that enables each learner to advance and accelerate his/her learning.
1G The teacher understands the role of language and culture in learning and knows how to modify instruction to make language comprehension and instruction relevant, accessible, and challenging.
2H The teacher understands students with exceptional needs, including those associated with disabilities and giftedness, and knows how to use strategies and resources to address these needs.
2N The teacher makes learners feel valued and helps them to learn to value each other.
3F The teacher communicates verbally and nonverbally in ways that demonstrate respect for and responsiveness to the cultural backgrounds and differing perspectives learners bring to the learning environment.
4M The teacher knows how to integrate culturally relevant content to build on learners' background knowledge.
6G The teacher effectively uses multiple and appropriate types of assessment data to identify each student's learning needs and to develop differentiated learning experiences.
7B The teacher plans how to achieve each student's learning goals, choosing appropriate strategies and accommodations, resources, and materials to differentiate instruction for individual and groups of learners.
9H The teacher knows how to use learner data to analyze practice and differentiate instruction accordingly.
10Q The teacher respects families' beliefs, norms, and expectations and seeks to work collaboratively with learners and families in setting and meeting challenging goals.

Mission Statements/Vision

The Campbellsville University Mission focuses on Scholarship, Excellence and Christian Servant Leadership.

The Teacher Education Vision aims for individuals to be empowered to attain goals and impact others through Christian servant leadership. The School of Education Mission seeks to provide an academic infrastructure based on scholarship, service and Christian leadership, candidates who are competent and qualified, and who demonstrate

- ☐ Knowledge and skills
- ☐ Caring Dispositions, including respect for diversity
- ☐ Commitment to life-long learning in a global society-
- ☐ Characteristics of servant leadership

The objectives of this course align with the mission of the university and of the School of Education. Students are involved in an action research study that demonstrates all of these characteristics.

SPECIFIC OBJECTIVES:

Upon completion of this course, you will have gained an understanding of:

1. Recognize and be able to apply at a high performance level the ten Kentucky Teachers Performance Standards (KTPS) and Teacher Professional Growth Effectiveness System Domains (**Clinical Experiences, Inverted Assignments, and Class Exams**)
2. Demonstrate the ability to use Kentucky Core Content and Kentucky Core Academic Standards and Program Review to design, plan, teach, and assess student learning through a unit of study in local classrooms. (**Unit and Portfolio Assessments**)
3. Demonstrates an ability to implement, reflect and improve assessment practices. (**Clinical Experience Reflection Journal, PPD Reflection Paper, Final Presentation Self-Assessment**)
4. Demonstrate a high level of performance while teaching a classroom of students and/or working with individual students and small groups during after-school programs. (**Clinical Experiences, unit**)
5. Recognize and develop various types of quality classroom assessment tasks and analyze and utilize assessment data to modify instruction and address all learners within the classroom. (**Clinical Experiences, Unit and Portfolio Assessments**)
6. Recognize best practice instructional strategies and implement those strategies into lessons in order to improve instructional skills and increase student learning. (**Clinical Experiences Unit and Reflection Journal**)
7. Demonstrate the ability to accept and give effective feedback for self-assessment. (**Final Presentation and Clinical Experiences: Unit/Reflection Journal**)

Clinical Experiences: Students will complete 40 clinical hours as described below. Students will be required to keep a journal. Each journal entry should contain a heading with the date, school and teacher, type of field experience, and number of hours. The journal entry must have an observation list or running record from the experience and 2-3 paragraphs that **analyze/critique** the experience, **discuss possible implications** for future growth, and **make connections** to course work. The journal will be scored using a rubric at mid-term (20 hours completed for 100 points) and before finals (remaining 20 hours completed for 100 points).

-Unit Clinical Experience 20 hours: Students will be placed with a classroom teacher to plan, teach, and assess a 5-day unit. The field hours should be divided as follows:

(1 hour) 1st Meeting with Teacher—discuss unit topics, dates, class, etc.

(1 hour) 2nd Meeting with Teacher—discuss unit objectives and pre/post-test

(7 hours) **Classroom Observations—can include administering the pre-test for the unit

(10 hours) **Unit Lessons—5 days but can include the post-test on the fifth day but **NOT** the pre-test.

**Teaching a lesson carries 2 hours due to planning and reviewing the formative assessment results. Journal entries must be kept for each day during the unit. Also you need to save student work samples from each lesson.

(1 hour) Sharing Results—give tests back and communicate results to teacher and students

Unit Documents will be worth a total of **100 points**. Your unit documents, lesson plans, and all resources necessary for teaching the unit should be printed and submitted in a binder/folder. The unit and lesson plans should follow the School of Education Guidelines. The unit is designed as a portfolio item and must be all original work by the candidate and **must be taught**.

-After School Experience 10 hours: Students will complete 10 hours in an after school program working with individual students and/or small groups. Journal entries must be kept.

-Participation in Interim Assessments 10 hours: Students will observe and/or participate in various interim/benchmark assessments.. More specific information will be given once exact dates and plans have been made for these hours.(MAP, K PREP, pre tests, ESL, GT, etc)

Disability Statement

Campbellsville University is committed to reasonable accommodations for students who have documented physical and learning disabilities, as well as medical and emotional conditions. If you have a documented disability or condition of this nature, you may be eligible for disability services. Documentation must be from a licensed professional and current in terms of assessment. Please contact the Coordinator of Disability Services at 270-789-5192 to inquire about services.

Plagiarism Policy

Campbellsville University's policy on Academic Integrity states: "Each person has the privilege and responsibility to develop one's learning abilities, knowledge base, and practical skills. We value behavior that leads a student to take credit for one's own academic accomplishments and to give credit to others' contributions to one's course work. These values can be violated by academic dishonesty and fraud." (2015-17 Bulletin Catalog). Plagiarism and cheating are examples of academic dishonesty and fraud and neither will be tolerated in this course. Plagiarism is quoting or paraphrasing a phrase, a sentence, sentences, or significant amounts of text from a web or print source, without using quotation marks and without a citation. The plagiarist submits the work for credit in a class as part of the requirements for that class. Examples of cheating include cheating on a test (copying off someone else's paper) or an assignment (e.g., development of a lesson plan) and submitting the work as your own. If a student commits plagiarism or cheats in this course, the professor will decide on one of two penalties: (a) an F on that assignment or (b) an F in the course. The student's Dean and the Vice- President for Academic Affairs will be notified of either consequence.

School of Education Attendance Policy

Regular attendance in professional education courses is expected of all students. It is a professional responsibility that is a part of the disposition assessment of teacher candidates. No more than six (6) absences for Monday/Wednesday/Friday courses and no more than four (4) absences for Tuesday/Thursday courses. Absences in excess of these numbers of days will result in an F for the course. Tardy is defined as missing 10 minutes or less of class time due to late arrival or early departure. An accumulation of two tardy instances will equate to one day of absence to be applied to the course attendance policy. Anything more than 10 minutes and less than 30 minutes of missed class time will result in a half day absence. More than 30 minutes of missed class time will be considered a full day. Your arrival and departure time are as important as your presence regularly. This is essential for a smooth classroom experience for you and your classmates now as well as the expectation you will face as a classroom teacher when employed later. *Note: students will not be penalized for absences excused by Campbellsville University; however, it is the student's responsibility to notify the professor in advance of the excused absence.* It is also the student's responsibility to insure that all assignments are submitted on due dates, regardless of date(s) of absences.

Incomplete Statement

A grade of “I” is assigned to a student when the course requirements are not completed due to illness, accident, death in the immediate family, or other verifiable, extenuating circumstances. The course requirements to change the “I”; grade must be completed within 12 months from the time awarded. It is the student’s responsibility to complete requirements within the 12 month period. It is the professor’s responsibility to change the grade by filling out the proper forms in the Office of Student Records.

Title IX Statement

Title IX Statement: Campbellsville University and its faculty are committed to assuring a safe and productive educational environment for all students. In order to meet this commitment and to comply with Title IX of the Education Amendments of 1972 and guidance from the Office for Civil Rights, the University requires all responsible employees, which includes faculty members, to report incidents of sexual misconduct shared by students to the University's Title IX Coordinator.

Title IX Coordinator:

Terry VanMeter

Email – twvanmeter@campbellsville.edu

Information regarding the reporting of sexual violence and the resources that are available to victims of sexual violence is set forth at: www.campbellsville.edu/titleIX

Communication Requirement

Students are expected to activate and regularly use the university provided email domain (studentname@students.campbellsville.edu) for all email communication for this class.

Student Academic Progress (SAP):

Department of Education federal regulations require Campbellsville University to monitor its student's academic progress to ensure that they maintain a minimum standard GPA and make steady progress toward degree completion. Students who do not meet the SAP requirements may lose their financial aid eligibility. All students that were enrolled during the current school year and those who have submitted a FAFSA for the upcoming year will be evaluated for SAP at the end of each term including summer. See your Student Handbook for specific details and/or discuss with your advisor.

Disposition Assessment

Dispositions in teacher education preparation refer to behaviors and attributes while interacting on campus, online, and in clinical experiences with students, families, colleagues, communities, and faculty. Such dispositions are necessary to the empowerment for learning process stemming from the unit mission, conceptual framework, state codes of ethics, and national standards. Campbellsville University’s educator preparation program strives to lead candidates in the self-efficacy process of recognizing when their own dispositions shall be developed in the Pre-Professional Growth Plan (PPGP).

Candidates (CU students) will be introduced to the education program’s conceptual framework, which includes disposition expectations in the introductory courses and will also become familiar with and commit to the *Codes of Ethics for Professional Educators* which delineates behaviors for teachers related to students, parents and colleagues. In addition, candidates must adhere to the CU Computer Resource Acceptable Use Policy that includes posting information, videos, pictures, etc., that infringe on copyright laws or is deemed inappropriate

by the mission of CU and the School of Education (p 50, ST Handbook). This includes both on campus and off campus activities. Although the unit has adopted a “Disposition Recommendation” form for general use, it is understood that dispositions are also evaluated during instructional opportunities through field and clinical experiences and regular course opportunities. All disposition data are collected and filed in the student’s School of Education binder.

CU Philosophy of Behavior was founded with the goal of providing a quality education along with Christian values. Learning takes place guided by Christ-like concern and behavior on campus and online. A student whose conduct violates stated behavioral expectations faces specific disciplinary sanctions.
