Gifted Education Endorsement Rejoinder #2

GIFTED EDUCATION ENDORSEMENT (Graduate Level (22))

- 1) The curriculum guide does not include the grade level of the resulting certification.

The curriculum guide includes the grade level of P-12.

- 2) CAP 6 on the curriculum identifies a requirement for a minimum of 15 credit hours required; however, it appears there are only 12 credit hours in the entire program.

12 hours is correct. CAP 6 document revised.

- 3) The standards alignment spreadsheet includes a column demonstrating alignment with outdated standards (KTS Advanced).

Although alignment to KTS was required at the time of program submission, the reference to KTS has been removed. All syllabi are aligned with KTPS/InTASC.
