- 1. The narrative description of the KTS alignment of the Culminating Project does not match the standards identified in the spreadsheet (see Advanced Assessments tab).**

The culminating project has been revised and aligned to the KTPS/InTASC standards. The Excel spreadsheet originally submitted has been revised to reflect the new KTPS standards. Please see the revised documentation and rubric in addition to the Lawshe's assessment results for content validity.

Please also see the description of the Culminating project.

- 2. The curriculum guide for Rank II needs to be added to the program page.**

The curriculum guide for Rank II has been added to the program page.
