

Winters Dining Hall
New Operating Hours and Selections

Effective April 1, 2020

PROGRAM OUTLINE

Breakfast will feature a cook-to-order station with eggs cooked your way, breakfast meats, potatoes, fresh waffles cooked to order, and a continental selection that includes items like yogurt, granola, cereal, fruit, and more!

Lunch will feature the mainline with a classic entrée and a second choice entrée from the Grille or Fresh & Fit station. Both entrees will come with matching sides, and we will be offering some classic pizza varieties. After the mainline, we will be offering our combined Subzone and Salad bar that will continue to have a daily feature item as well as hotdogs and PB&J!

The drink line and dessert bars will be combined into one station. We will still be offering the entire front drink line including juices, sodas, teas, coffees, and milk. The dessert bar will still have a variety of baked and prepared goods as well as dipped ice creams packaged ready to go!

All food will still be served in a carry-out format. We ask that all guests wash their hands before coming and avoid contact with any counters or serving surfaces within the dining facility. All needed items will be made easily accessible or handed to you.
