Dear Campbellsville University Graduates:

Congratulations on the culmination of much hard work! You did it! Your degree is more than just a diploma, it is a testament to perseverance, to dedication and to your desire to achieve.

The recent changes brought on by COVID-19 have included shifting our plans for celebrating your triumphs, but no pandemic can lessen the significance of the degree you have earned. You have overcome yet another hurdle. As the word "commencement" connotes, this is not an end; it is a beginning. It is the opening of your life's next chapter. The journey on which you are embarking is new and exciting.

Campbellsville University has a 114-year history of preparing Christian Servant Leaders. You have become part of this legacy. The world needs you, now more than ever. Your faculty, staff and fellow students have all made an impact on your years at CU. There are those who are beyond the university who have supported you and helped you get to this day. I urge you to take a moment to turn to these people and express your gratitude.

As you transition from student to professional, you carry the mission of Campbellsville University. You are now part of an ever-growing family of Campbellsville University Alumni who are making a difference in their professional fields. You are an ambassador for Campbellsville University. Our prayer for you is that you will strive for excellence in your professional and personal life, allowing Campbellsville University to be your foundation for your future success.

Again, congratulations for your great accomplishment. The world is waiting for you. Keep your head and your standards high and embrace your future with faith and resolve.

Campbellsville, We Love Thee

Campbellsville, we love thee
And we hail thy name;
Thou has been a blessing
And thou art still the same;
Highest praise and honor
We do gladly bring to thee,
We will sing in gratitude,
Eternally.

Campbellsville, God bless thee,
Keep thy standards high;
May God's presence linger
And hearts to Him draw nigh;
When thy task on earth is o'er
And learning there's begun,
May thou hear the voice of God,
Well done, well done."
