PRESENTATION OF RECIPIENTS

History of the Excellence in Teaching Program

Campbellsville University began the Excellence in Teaching Award Program in 1987 with assistance from Mr. Earl Aaron and the Ward, Cundiff, and Aaron Memorial Fund. The purpose of the program is to recognize the quality teaching and learning taking place in the school systems throughout Kentucky.

Through the award program, Campbellsville University sends certificates to teachers in each grade level (preschool/elementary, middle, and high school) as selected by their school districts. At this annual program, we are recognizing teachers from 72 school districts. Nearly 4,000 teachers have been so honored since the program's inception.
