Table Key

Yes= The institution has determined that its curriculum meets the State educational requirements for licensure or certification.

No= The institution has determined that its curriculum does not meet the State educational requirements for licensure or certification.

U= The institution has not made a determination that its curriculum meets the State educational requirements for licensure or certification.

Disclaimer: Although effort has been made to provide complete, accurate and up-to-date information, no warranties, express or implied, or representations made as to the accuracy or reliability of this information. The information is not stagnant and albeit ever evolving. No assumed liability or responsibility for any errors or omissions in the information contained in this resource is made. All potential students/applicants should visit <https://www.ncsbn.org/14730.htm> and also advised to consult their state's licensing/certification authority for guidance before beginning or applying to any program of study.

This disclosure does not guarantee that a particular state licensing agency or certifying agency will approve or deny an application. The licensing or certifying agency may have additional requirements beyond the degree/certification. Additionally, requirements can change at any time, which may impact an application for licensure/certification, and after this disclosure has been provided. Any potential student is strongly encouraged to review and contact their state/territory licensing/certification agency with any questions regarding licensure/certification requirements prior to enrolling and monitor throughout their program.
