Disclaimer: Although effort has been made to provide complete, accurate and up-to-date information, no warranties, expressed or implied, or representations made as to the accuracy or reliability of this information. The information is not stagnant and albeit ever evolving. No assumed liability or responsibility for any errors or omissions in the information contained in this resource is made. All potential students/applicants should visit https://www.ncsbn.org/14730.htm, https://www.ncsbn.org/13662.htm, and advised to directly consult their state's/United States Territory licensing/certification authority for guidance before beginning or applying to any program of study. The School of Nursing is not and will not be accepting applications for those designated with a No.

This disclosure does not guarantee that a particular state licensing agency or certifying agency will approve or deny an application. The licensing or certifying agency may have additional requirements beyond the degree/certification. Additionally, requirements can change at any time, which may impact an application for licensure/certification, and after this disclosure has been provided. Any potential student is strongly encouraged to review and directly contact their state/territory licensing/certification agency with any questions regarding licensure/certification requirements prior to enrolling and monitor throughout their program. Furthermore, should the student move during their educational program, it may prohibit the student from completing their program, should the program not meet that particular state/United States Territory requirement for licensure and/or meet other approvals/items that may be necessary to host the program for those residing in that state.
